

**What
SEND Information,
Advice and Support
Is Available to you?**

- Are you **aged 0 - 25**?
- Do you have **additional needs** or
- Are you **disabled** or
- Do you have **special educational needs**?

Special educational needs are when you need extra support to learn things.

The law says that you can get **information, advice and support**.

You can come to us if you want information and advice about

- Support at **school**, college or training
- **Health** services
- **Care** and support

Most people who are 16 years old or more and have finished Year 11 can make their own decisions about their school or support.

If you would like a **parent or carer** to help then that is OK. It is up to you.

If you are **under 16** years old, then we will need to talk to your **parents or carers** before we make any decisions.

Our service is impartial. This means we will not tell you what to do. **We will not take sides.**

We will give you the information and support you need to make your **own choices.**

Our service is confidential. We will only tell people what we talk about if you say it is ok. We also need to tell someone if we think you are in danger of being hurt.
